WENDY WILD: Hey there, it's me- Wendy Wild.

Planning your finances can change your life - but did you know who you bank with can change the world?

If that sounds inspiring, you'll love Aspiration, a new way to bank.

Unlike other banks, fighting climate change to protect the earth is a priority for Aspiration - which as a bit of nature nut, really matters to me. I can't entrust my money to a bank that doesn't put their money where their mouth is when it comes to protecting the planet - can you?

Big banks lend hundreds of billions of dollars to oil companies that are destroying our climate. But Aspiration will never use your money to fund Fossil Fuels. And when you round up your purchases, the spare change will go toward planting a tree. Turn every transaction into a positive return with Aspiration.

| <p>Montage of a child settling into her virtual learning space. First shot: She's excited, she's got all her gear: headphones, comfy chair, paper, and pencils.</p> | <p>[Upbeat, childlike music]</p> <p>Voiceover (Adult, Female, Maternal): Needless to say, there's a lot about this school year that has been different!</p> |
| <p>We see this ritual 3-4 times, with the child getting less enthusiastic and straining to see, sitting closer and closer to the computer screen/tablet, etc as she sits down.</p> | <p>Voiceover (Adult, Female, Maternal): We have adapted, but one thing that kept changing was how close my daughter was sitting to her screen.</p> |
| <p>The family enters 20/20 Vision Clinic and is greeted by an employee. All are happy and enthusiastic. We see the daughter sitting down to get her eyes examined.</p> | <p>Voiceover (Adult, Female, Maternal): Luckily, one thing that has stayed the same? The amazing team at Twenty-Twenty Vision Clinic! Last year they helped my son find the perfect brand of contacts and they even taught him how to take them out and put them in! And this year?</p> |
| <p>Cut to the girl turning around, smiling and proud of her new glasses.</p> | <p>Voiceover (Adult, Female, Maternal): They helped me pick out these!</p> |
| <p>20/20 Vision Clinic logo superimposed over an exterior shot of the business with the business address and phone number.</p> | <p>Voiceover (Adult, Female, Maternal): There's more to the health of a child's developing eyesight than vision. At Twenty-twenty vision clinic, we perform a comprehensive exam just for kids and even have a kid's package for affordable deals on glasses.</p> <p>Twenty Twenty Vision Clinic: We Focus on You!</p> <p>Visit us at four eight one six Nelson Road in Lake Charles or call three three seven four seven eight twenty-twenty.</p> |
